Enthusiastic Web Developer proficient in above mentioned skills with a passion for creating dynamic and visually appealing websites.

Basic knowledge about HTML,CSS and Bootstrap.

Date: 12/04/2024

TO WHOM IT MAY CONCERN

This is to certify that Pabari Jamanaben Vallabhbhai, a student of Shree M. L. Kakadiya Mca Mahila College-Amreli has successfully completed their internship in the field of Web Development from 16 January 2024 to 10 April 2024 (Total number of Weeks: 12) under the guidance of Mr. Rahul Raghani.

Throughout their internship, they were involved in the development of responsive user interface and dynamic projects using the Django framework. Additionally, they gained experience with advanced Python concepts such as API integrations for this project.

During the period of their internship program with us, they had been exposed to different processes and were found diligent, hardworking, and inquisitive.

We wish them every success in their life and career.
